**NO BOUNDARIES**  
WORK ANY AREA IN THE WELLINGTON REGION

Unlike some real estate agencies, we are non-franchised so we have no territory restrictions on the areas that you can list and sell in. If you enjoy an established reputation in one area we will help you solidify it further or support you to break new ground and forge new client relationships.

**INCENTIVE BASED COMMISSION**  
THE MORE YOU LIST THE MORE YOU EARN

Reward is a big part of our business and this is recognised in our commission structure. Not only will you never lose any commission to franchise fees but you will be paid as soon as any deposit has cleared its statutory holding period on unconditional deals. To know more about our commission structure just call us.

**REGULAR TRAINING**  
UPSKILLING YOU THROUGH YOUR CAREER WITH US

The moment you join the team you are supported by your manager and provided one2one job coaching and monthly training on key areas to help you succeed and enjoy your job. In addition we support any industry training you wish to undertake such as the National Diploma in Real Estate (Agent).

**INNOVATIVE TECHNOLOGY**  
SIMPLE YET POWERFUL SUPPORT SYSTEMS

We have invested a lot of time to ensure we have an easy to use website for our customers that is useable on mobile, tablet and desktop devices. We also provide a powerful accessible anywhere CRM for you to log contacts, track listings and close deals while in or away from the office.

IN ADDITION YOU WILL ENJOY: REINZ MEMBERSHIP, PROFESSIONAL INDEMNITY COVER, SIGN INSTALLATION, TAILORED LISTING KITS & ADMIN SUPPORT
